MAKING WATER EASY

1

No space?
No problem.

The Esybox Pop is compact, lightweight and ready to fit everywhere. It is perfect for small apartments or houses and supports up to 1-2 bathrooms.

2

You can literally **talk with it.**

Seamlessly integrate your smart home with the H_2D app. Adjust comfort settings and activate modes like Power Shower using Alexa or Google Home.

3

Full control, **even remotely.**

Wherever you are, you're always in control. With the H_2D App, you can monitor your Esybox Pop's performance in real time and keep everything running smoothly—all from the convenience of your smartphone.
